# CLOUDS AND DIRT

GARY VAYNERCHUK 

## CONCU POUR DONNER VIE A VOS REVES

The clouds—the high-end philosophy of what you believe—and the dirt—the low-down subject matter expertise that allows you to execute against it. Forget about everything else.

The shoes are based upon the legendary K-Swiss Classic 88 and Classic VN, both timeless icons in the sneaker game. For the first time in its 50 year history, the K-Swiss Classic 88 and Classic VN are both presented in a knitted upper for comfort and breathability, while retaining the heritage design DNA of the three-piece toe, D-rings and rubber outsole.

## LES SNEAKERS POUR LES PDG DE DEMAIN

Iconic K-Swiss Classic 88 or  
Classic VN silhouette with mesh  
knit upper for lightweight,  
breathable comfort.

Three-piece toe construction for  
classic tennis support and  
performance.

Classic metal D-ring lace stay for  
security

Die cut, ultra-soft EVA midsole for  
long lasting comfort and impact.
